Tortious Intentional Conspiracy to Cause Harm – Survival Action

***DELBERT J. CHARLES, as Independent Administrator of the Estate of ABNERD
JOSEPH v. DEFENDANTS NENA, SMITH, CLEMENT, ROBERT BISHOPP,
and NATALIE BISHOPP***

299. DELBERT J. CHARLES, as Independent Administrator of the Estate of ABNERD JOSEPH, restates, realleges, and incorporates the allegations of Paragraphs 1 through 298 as and for his allegations for this paragraph of this count.

ANSWER: Smith repeats and incorporates by reference his answers to Paragraphs 1 through 298 above as though each were more fully set forth herein.

300. On the aforesaid date, Defendants NENA, SMITH, CLEMENT, ROBERT

BISHOPP, and NATALIE BISHOPP, entered into an agreement not to wait for the police but instead to confront and subdue the decedent JOSEPH, which included the understanding between them that the firearm discussed with them by Defendant SMITH, might need to be used to accomplish said goal, and to which the Defendants NENA, SMITH, CLEMENT, ROBERT BISHOPP, and NATALIE BISHOPP acceded consent to do so.

ANSWER: Deny.

301. The purpose of this agreement was to act as unlicensed security guards, and at least in part, to physically subdue the decedent JOSEPH by force or threat of force.

ANSWER: Deny.

302. The conspirators, Defendants NENA, SMITH, CLEMENT, ROBERT BISHOPP, and NATALIE BISHOPP, then went as a physical group together from the lobby to the elevator, to the 48th floor of the building.

ANSWER: Deny.

303. Defendant NENA, upon hearing sounds from the Decedent JOSEPH that made him believe that the decedent, JOSEPH, was acting “crazy,” then led the group of said defendants off the elevator to the left towards the sounds, rather than going to the right, towards the condominium of Defendants ROBERT and NATALIE BISHOPP and safety for the group.

ANSWER: Answering as to Smith only, Smith lacks knowledge sufficient to form a belief as to the truth of the allegation.

304. Defendant NENA then led the group towards the decedent JOSEPH, to directly confront him, despite decedent JOSEPH remaining confined to a small, contained area at the end of the hallway in which he was not visible until the conspirators were less than 15 feet away from the decedent JOSEPH.

ANSWER: Answering as to Smith only, denied.

305. Despite Defendant NENA recognizing decedent JOSEPH as a resident of the building, being unarmed dressed in a bathrobe and underwear, and who was having a mental health crisis, the group proceeded to confront decedent JOSEPH.

ANSWER: Answering as to Smith only, Smith lacks knowledge sufficient to form a belief as to the truth of the allegation regarding Mr. Nena recognizing Joseph, and denies the remainder of the allegation.

ANSWER: Smith admits that: (i) after Joseph threatened Smith with physical violence and death; (ii) after Joseph physically attacked and seriously injured two other men; (iii) after Smith warned Joseph that he was carrying a gun; and (iv) after Joseph violently lunged toward and attacked Smith, he reasonably believed that he and other residents were in grave danger and likely to suffer imminent death or great bodily injury. Only then did Smith discharge his firearm, and he did so justifiably and in defense of himself and others. Smith lacks knowledge sufficient to form a belief as to the truth of the remaining allegation.

307. At all times relevant, the Defendant conspirators, and each of them, had a duty to act with reasonable care so as not to cause injury to others, including the decedent, JOSEPH.

ANSWER: Smith states that duties arise by operation of law and not by allegations of a plaintiff, and thus no answer is required. To the extent an answer is required, as to Smith only, Smith admits to owing all duties imposed by law but denies the remainder of the allegation.

308. Notwithstanding said duty, the conspirators, Defendants, NENA, SMITH, CLEMENT, ROBERT BISHOPP and NATALIE BISHOPP, and each of them, breached said

duty in furtherance of their conspiracy in one or more of the following ways:

- f. While acting in concert as a group, conspirator and Defendant SMITH discharged his firearm at decedent JOSEPH and shot him at least five times.

NATALIE BISHOPP**

313. DELBERT J. CHARLES, as Independent Administrator of the Estate of

ABNERD JOSEPH, restates, realleges, and incorporates the allegations of Paragraphs 1 through 313 [sic] as and for his allegations for this paragraph of this count.

ANSWER: Smith repeats and incorporates by reference his answers to Paragraphs 1 through 312 above as though each were more fully set forth herein.

314. On the aforesaid date, Defendants NENA, SMITH, CLEMENT, ROBERT BISHOPP, and NATALIE BISHOPP, entered into an agreement to act in concert not to wait for the police but instead to confront and subdue the decedent JOSEPH, which included the understanding between them that the firearm discussed with them by Defendant SMITH, might need to be used to accomplish said goal, and to which the Defendants NENA, SMITH, CLEMENT, ROBERT BISHOPP, and NATALIE BISHOPP acceded consent to do so.

ANSWER: Deny.

315. The purpose of this agreement was to act as untrained unlicensed security guards, and at least in part, to physically subdue the decedent JOSEPH by force or threat of force, such that each of them knew or should have known that the group intended to unlawfully physically confront and stop decedent JOSEPH by force or threat of force.

ANSWER: Deny.

316. The conspirators, Defendants NENA, SMITH, CLEMENT, ROBERT BISHOPP, and NATALIE BISHOPP, then went as a physical group together from the lobby to the elevator, with each others assent and encouragement, to the common area hallway of the 48th floor of the building.

ANSWER: Deny.

317. Defendant NENA, upon hearing sounds from the Decedent JOSEPH that made him believe that the decedent, JOSEPH, was acting “crazy,” then led the group of said

defendants off the elevator to the left towards the sounds, rather than going to the right, which direction is towards the condominium of Defendants ROBERT and NATALIE BISHOPP and relative safety for the group.

ANSWER: Answering as to Smith only, denied. Smith lacks knowledge sufficient to form a belief as to the truth of the remainder of the allegation.

318. Defendant NENA then led the group towards the decedent JOSEPH, to directly confront him, despite decedent JOSEPH remaining confined to a small, contained area at the end of the hallway in which he was not visible until the conspirators were less than 15 feet away from the decedent JOSEPH.

ANSWER: Answering as to Smith only, denied. Smith lacks knowledge sufficient to form a belief as to the truth of the remainder of the allegation.

319. Despite Defendant NENA recognizing decedent JOSEPH as a resident of the building, being unarmed dressed in a bathrobe and underwear, and who was having a mental health crisis, the group proceeded to confront decedent JOSEPH.

ANSWER: Answering as to Smith only, denied. Smith lacks knowledge sufficient to form a belief as to the truth of the remainder of the allegation.

320. Defendant SMITH, while the decedent was unarmed and wearing only a bathrobe and his underwear drew his firearm and shot decedent JOSEPH at least five times, killing him.

ANSWER: Smith admits that: (i) after Joseph threatened Smith with physical violence and death; (ii) after Joseph physically attacked and seriously injured two other men; (iii) after Smith warned Joseph that he was carrying a gun; and (iv) after Joseph violently lunged toward and attacked Smith, he reasonably believed that he and other residents were in grave danger and likely to suffer imminent death or great bodily injury. Only then did Smith discharge his firearm,

and he did so justifiably and in defense of himself and others. Smith lacks knowledge sufficient to form a belief as to the truth of the remaining allegation.

321. At all times relevant, the Defendant conspirators, and each of them, had a duty to act with reasonable care so as not to cause injury to others, including the decedent, JOSEPH, and had a duty not to act when they had knowledge with substantial certainty that said conduct would cause harm.

ANSWER: Smith states that the allegations consist of conclusions of law to which no answer is required. To the extent an answer is required, Smith denies the allegations.

322. Notwithstanding said duty, the conspirators, Defendants, NENA, SMITH, CLEMENT, ROBERT BISHOPP and NATALIE BISHOPP, and each of them, negligently and carelessly breached said duty in furtherance of their acting in concert, in one or more of the following ways:

- a. Acted as unarmed and/or armed security guards without going through the required training and licensing required by 225 ILCS 447/10-5 et seq. and 225 ILCS 447/25-20 et seq. to obtain a PERC card.
- b. Failed to stay in a place of safety such as their units or the lobby and wait for the 911 responders.
- c. Attempted to subdue by force or threat of force a fellow tenant of the building who was having a mental health crisis by means disproportionate to the threat.
- d. Proceeded to attempt to subdue a fellow tenant by force or threat of force despite the fact they knew or should have known that not one of them had training in de-escalation, use of non-lethal force or understanding of the justifiable use of lethal force.
- e. Failed to warn each other that lethal force was not necessary because decedent JOSEPH was a tenant who was unarmed and having a mental health crisis.
- f. While acting in concert as a group, conspirator and Defendant SMITH discharged his firearm at decedent JOSEPH and shot him at least five times.
- g. Left decedent JOSEPH to die after injuring him without providing aid or contacting

911 in a timely fashion.

ANSWER: Smith states that the allegations consist of conclusions of law to which no answer is required. To the extent an answer is required, Smith denies the allegations.

323. As a direct and proximate result of one or more of the aforesaid acts or omissions by Defendants, decedent JOSEPH was caused to suffer grievous injuries and endure conscious pain and suffering prior to his death.

ANSWER: Smith states that the allegations consist of conclusions of law to which no answer is required. To the extent an answer is required, Smith denies the allegations.

324. This matter is brought by his estate pursuant to the Illinois Survival Act, 755 ILCS 5/27-6 and following.

ANSWER: Smith states that the allegations consist of conclusions of law to which no answer is required. To the extent an answer is required, Smith denies the allegations.

WHEREFORE, Defendant Garrett M. Smith respectfully requests that this Honorable Court deny all relief sought by Plaintiff, assess all costs and fees against Plaintiff, and award Smith any other relief that this Court deems just and equitable under the circumstances.

Count XXV

**Restatement sec. 876 Negligently Acting in Concert – Wrongful Death
DELBERT J. CHARLES, as Independent Administrator of the Estate of
ABNERD JOSEPH v. DEFENDANTS NENA, SMITH, CLEMENT, ROBERT BISHOPP, and
NATALIE BISHOPP**

325. DELBERT J. CHARLES, as Independent Administrator of the Estate of ABNERD JOSEPH, restates, realleges, and incorporates the allegations of Paragraphs 1 through 310 as and for his allegations for this paragraph of this count.

ANSWER: Smith repeats and incorporates by reference his answers to Paragraphs 1 through 310 above as though each were more fully set forth herein.

326. JOSEPH left surviving certain heirs and next of kin that have suffered a loss of

love, society, affection, support, guidance, grief, and other damages consistent with the Illinois Wrongful Death Act, 740 ILCS 180/1 and following.

ANSWER: Smith states that the allegations consist of conclusions of law to which no answer is required. To the extent an answer is required, Smith denies the allegations.

WHEREFORE, Defendant Garrett M. Smith respectfully requests that this Honorable Court deny all relief sought by Plaintiff, assess all costs and fees against Plaintiff, and award Smith any other relief that this Court deems just and equitable under the circumstances.

COUNT XXVI
RESPONDENTS IN DISCOVERY
STEVEN LEVY, CONSTATINE “DEAN” ANDREWS, JOHN CARONA & ASSOCIA, INC.

The allegations in Count XXIV are not directed at Smith and therefore Smith does not answer them. To the extent any allegation in Paragraphs 327 through 331 is construed to allege any wrongdoing against Smith or require an answer, Smith repeats and incorporates by reference his answers to Paragraphs 1-326 above as his answer to Paragraph 327 and specifically denies any wrongdoing in Paragraphs 328-331.

AFFIRMATIVE DEFENSES

First Affirmative Defense Comparative Negligence

1. On September 14, 2023, it was the duty of the decedent, Abnerd Joseph (“Joseph”), before and at the time of the occurrence, to use ordinary care for his own safety and the safety of others, including Garrett Smith (“Smith”) and the other residents at the condominium building where Joseph lived.

2. Joseph failed to use ordinary care for his own safety and the safety of the other residents at the condominium building where he lived by, among other things, threatening other residents at the building with serious bodily injury and death, violently attacking Andrew Clement, violently attacking Younan Nena, and violently attacking Smith.

3. Joseph’s failure to use such ordinary care and/or his provocation of the use of force against himself was the direct and proximate cause of his injury and death.

4. Consequently, if the jury finds that Joseph’s failure to use such ordinary care and/or his provocation of the use of force against himself was less than 50% of the total proximate cause of his injury and death, the total amount of Plaintiff’s damages must be reduced in proportion to the amount of Joseph’s negligence.

5. Alternatively, if the jury concludes that Joseph’s failure to use such ordinary care and/or his provocation of the use of force against himself is greater than 50% of the total proximate cause of his injury or death, Plaintiff shall be barred from any recovery whatsoever.

Second Affirmative Defense Self Defense/Defense of Others

1. On September 14, 2023, the decedent, Joseph, was in a psychotic, violent rage. He attempted to enter Smith’s condominium unit by force and threatened Smith with serious

bodily injury and death. Shortly after making those threats, Joseph violently attacked two other men in the building, Andrew Clement and Younan Nena. Joseph beat Mr. Clement so violently that he could only crawl to safety while others fled; Joseph struck Mr. Nena in the head repeatedly, causing him harm. Immediately after beating and disabling those men, Joseph focused his rage on Smith. Joseph lunged at Smith, knocking Smith to the concrete floor, where he landed on top of Smith.

2. Based on Joseph's actions, Smith reasonably believed that he and the two elderly residents in the hallway with him, Robert Bishopp and Natalie Bishopp, were in grave danger and likely to suffer imminent death or great bodily injury.

3. Based on Joseph's actions, Smith reasonably believed that the use of force was necessary to prevent imminent death or great bodily injury to himself and the two elderly residents who were in the hallway with him.

4. Consequently, Smith was justified in the use of force against Joseph. Such justification bars Plaintiff from any recovery whatsoever.

Third Affirmative Defense Claims Barred by Statute

1. On September 14, 2023, the decedent, Joseph, was in a psychotic, violent rage. He attempted to enter Smith's condominium unit by force and threatened Smith with serious bodily injury and death. Shortly after making those threats, Joseph violently attacked two other men in the building, Andrew Clement and Younan Nena. Joseph beat Mr. Clement so violently that he could only crawl to the safety while others fled; Joseph struck Mr. Nena in the head repeatedly, causing harm. Immediately after beating and disabling those men, Joseph focused his rage on Smith. Joseph lunged at Smith, knocking Smith to the concrete floor, where he landed on top of Smith.

2. The decedent, Abnerd Joseph, was an “aggressor” as that term is defined in 720 ILCS 5/7-4 of the Illinois Code of Criminal Procedure because, among other things, he “initially provoke[d] the use of force against himself.”

3. Illinois law provides that “in no case shall any act involving the use of force justified under this Section give rise to any claim or liability brought by or on behalf of any person acting within the definition of “aggressor” set forth in [720 ILCS 5/7-4], or the estate, spouse, or other family member of such a person, against the person . . . using such justified force, unless the use of force involves willful or wanton misconduct.” 720 ILCS 5/7-1(b).

4. Smith’s use of force was justified force and did not involve willful or wanton misconduct. Consequently, and because Joseph was the “aggressor” as set forth in 720 ILCS 5/7-4, Plaintiff is barred from maintaining his claims against Smith.

WHEREFORE, Defendant Garrett M. Smith respectfully requests that this Honorable Court deny all relief sought by Plaintiff, assess all costs and fees against Plaintiff, and award Smith any other relief that this Court deems just and equitable under the circumstances.

**Fourth Affirmative Defense
Failure of Underlying Tort**

1. On September 14, 2023, the decedent, Joseph, was in a psychotic, violent rage. He attempted to enter Smith’s condominium unit by force and threatened Smith with serious bodily injury and death. Smith called 911 to report the verbal attack and attempted break-in by an individual who was later identified as Joseph. Smith later went to the building lobby to report Joseph’s violent and threatening behavior and to encourage others to call 911.

2. Robert Bishopp and Natalie Bishopp expressed fear that they had left their unit unlocked and a desire to return to their unit. Thereafter, Smith, Andrew Clement, and Younan

Nena accompanied the elderly couple to the elevator and ultimately to the 48th floor so the couple could return to their unit.

3. At no time did Smith, Nena, Clement, Mr. Bishopp, or Mrs. Bishopp express or imply an intent to physically subdue Joseph by force or threat of force.

4. At no time did Smith, Nena, Clement, Mr. Bishopp, or Mrs. Bishopp, express or imply an agreement to confront or physically subdue Joseph by force or threat of force.

5. Thus, there was no agreement to confront or physically subdue Joseph by force or threat of force.

WHEREFORE, Defendant Garrett M. Smith respectfully requests that this Honorable Court deny all relief sought by Plaintiff, assess all costs and fees against Plaintiff, and award Smith any other relief that this Court deems just and equitable under the circumstances.

**Fifth Affirmative Defense
Failure of Underlying Tort**

1. On September 14, 2023, the decedent, Joseph, was in a psychotic, violent rage. He attempted to enter Smith's condominium unit by force and threatened Smith with serious bodily injury and death. Smith called 911 to report the verbal attack and attempted break-in by an individual who was later identified as Joseph. Smith later went to the building lobby to report Joseph's violent and threatening behavior and to encourage others to call 911.

2. Robert Bishopp and Natalie Bishopp expressed fear that they had left their unit unlocked and a desire to return to their unit. Thereafter, Smith, Andrew Clement, and Younan Nena accompanied the elderly couple to the elevator and ultimately to the 48th floor so the couple could return to their unit.

3. Smith possessed a valid license to carry a concealed weapon on September 14, 2023, and was lawfully carrying a gun on September 14, 2023.

4. At no time did Smith hold himself out to be, assume to act as, or imply he was a licensed or unlicensed security contractor under 225 ILCS 447/5-10.

5. At no time did Clement, Nena, Mr. Bishopp, or Mrs. Bishopp indicate to Smith that any one of them were acting as or intending to act as licensed or unlicensed security contractors under 225 ILCS 447/5-10.

6. There was no agreement to act as unlicensed security guards for any purpose.

WHEREFORE, Defendant Garrett M. Smith respectfully requests that this Honorable Court deny all relief sought by Plaintiff, assess all costs and fees against Plaintiff, and award Smith any other relief that this Court deems just and equitable under the circumstances.

RESERVATION OF RIGHTS

Defendant Garrett M. Smith reserves unto himself all of those defenses set forth in the Illinois Code of Civil Procedure and such other defenses, affirmative or otherwise, as may prove through discovery to be applicable. Smith reserves the right to assert such claims, counterclaims, third-party claims, or other claims as investigation and discovery may prove applicable, and hereby reserves unto himself all of its rights associated with any such claim or potential claim. Smith further reserves the right to amend his Answer and Affirmative Defenses if investigation, discovery, and further information warrant such amendment, and further, to assert any applicable matters of law during the pendency of this action.

JURY DEMAND

Defendant Garrett M. Smith demands a trial by jury of any issue triable of right by jury at common law, under the Constitution of the State of Illinois, or under the United States Constitution.

COUNTERCLAIM

Count I - Spoliation

1. Two Chicago Police Department sergeants briefly canvassed Joseph's unit after the incident on September 14, 2023. The video from the produced body-worn camera captures what appears to be a black cell phone on the counter of Joseph's apartment. The officers did not remove anything from the unit.

2. Joseph's brother, Delbert Charles, admitted during his deposition that he took Joseph's phone when he gained access to Joseph's unit on September 18, 2023, and "accessed his phone" after getting the passcode from a friend, Jareth Bent.

3. Joseph's family members, including Charles, Nicolle John-Jules, Bryan Bien-Aime, and Jeanna Kelley went to Joseph's unit after the incident and removed his belongings.

4. Charles testified that he searched Joseph's phone at that time and found a recording from the FaceTime call with Yada Beener that took place on September 14, 2023.

5. Charles testified that he looked at text messages and voicemails on Joseph's phone, as well.

6. Joseph's iPhone remained under the control of Plaintiff for several months until it was provided to investigators on December 11, 2023. Upon information and belief, the phone was used on several occasions by Charles and/or Joseph's family members between September 18, 2023, and December 11, 2023, and was not preserved in the state in which was found, purportedly on September 18, 2023.

7. Data was extracted from a gold iPhone, reported to belong to Joseph, by the Chicago Police Department on January 8, 2024, the results of which were later produced in discovery.

8. No other electronic devices were produced for inspection by Plaintiff in this matter, nor were any disclosed.

9. The data extraction showed that Joseph's iPhone had been synced with multiple other devices.

10. Joseph's shouting and erratic behavior on September 14, 2023, was partially captured on audio and video by his own devices and those of a friend, Yada Beener, with whom he had a FaceTime call on the evening of September 14, 2023, beginning at approximately 7:02 p.m.

11. The audio recording from Joseph's September 14, 2023, FaceTime call with Ms. Beener captured audio of a cell phone (or other device capable of receiving telephone calls) ringing at several separate times during the FaceTime audio recording, suggesting the existence of more than one electronic device in Joseph's unit.

12. Plaintiff had exclusive control over all items in Joseph's unit and Joseph's family members testified to removing all belongings on or about September 18, 2023.

13. Charles testified that the items removed from Joseph's unit were sent to his mother, Nicolle John-Jules, who resides in Tampa, Florida.

14. Plaintiff owed a duty of care to preserve any and all items and electronic devices present in Joseph's unit as it was reasonably foreseeable that those items and electronic devices, in their then-present condition, would be material evidence in a potential civil action.

15. In breach and in violation of the duty, upon information and belief, Plaintiff:

- a. Permitted Joseph's iPhone to be removed from Joseph's unit;
- b. Permitted Joseph's iPhone to be accessed and used by Joseph's family members;
- c. Failed to document any and all items in Joseph's unit in their then-present condition at the time they were found;

- d. Failed to document any and all electronic devices in Joseph's unit in their then-present condition at the time they were found;
- e. Failed to disclose that other electronic devices existed at the time of Joseph's death;
- f. Failed to otherwise take reasonable steps to safeguard against destruction or otherwise protect other items and electronic devices belonging to Joseph in the condition they were discovered in Joseph's unit.

16. Plaintiff's failure to preserve and document items and electronic devices belonging to Joseph prevents Smith from being fully able to defend himself in the present litigation and substantiate his affirmative defenses, and irreparably harms Smith in this litigation.

WHEREFORE, Defendant/Counter-Claimant Garrett M. Smith respectfully requests that this Honorable Court dismiss with prejudice all claims asserted against Smith in Plaintiff's Fourth Amended Complaint and grant any other relief that this Court deems just and equitable under the circumstances.
